American Express Corporate Social Responsibility makes grants in three major program areas: Leadership, Historic Preservation and Community Service. This includes the American Express Foundation and certain corporate gifts.

In 2015, contributions totaled $39 million.
In 2015, American Express contributed $39 million in over 380 grants to nonprofit organizations around the world in our priority giving areas of Leadership, Historic Preservation and Community Service. Grants were made to organizations in 28 states and 10 countries. Additionally, we supported over 5,800 organizations through our employee gift matching program.

**LEADERSHIP**

Through this theme, we support projects that provide best in class leadership development training that provide current and future emerging nonprofit leaders with first rate learning opportunities to build leadership skills.

In 2015, we trained 625 emerging nonprofit leaders (a 35% increase from 2014) through 20 American Express Leadership Academy programs in locations across the globe. The Leadership Academy is designed as a multidisciplinary approach to training the next generation of emerging nonprofit leaders through an intense, leadership development training program. Our partners in this effort include the Center for Creative Leadership (New York), Common Purpose (London, Gurgaon and Hong Kong), Japan Philanthropic Association and ETIC (Entrepreneurial Training for Innovative Community) (Tokyo), Thunderbird School of Global Management (Phoenix), the ASU Lodestar Center (Phoenix), the Aspen Institute (Aspen), Ashoka (New York, Mexico City, Toronto, Nairobi and Dakar) and Points of Light (Phoenix and Houston). More than 2,200 emerging leaders have been trained by the Academy since 2008.

We also strengthened ongoing Leadership Academy alumni engagement through a LinkedIn group, which has grown to include more than 900 alumni, and we hosted the inaugural Global Alumni Summit and established local alumni groups in New York, NY, Washington, DC, Atlanta, GA and Los Angeles, CA.

Recognizing the need to scale these programs, we launched Leaderosity, a new online leadership training platform, and continued our support for +Acumen. We also launched Leaderstories.org, a story telling platform for Academy participants and grantees.

In an effort to expand our leadership development program to education, we launched the American Express Principals Path to Leadership initiative in partnership with the National Association of Secondary School Principals. Five principal and aspiring principal leadership programs received multi-year grants—a combined total of nearly $2.5 million.

In addition, we made over 100 grants to nonprofit organizations to create, develop, expand or maintain their own leadership development programs for high potential, emerging leaders. Over 6,000 leaders were trained by grants to organizations as diverse as Opera America, American Leadership Forum, American Association of Museums, Communities in Schools, Just Leadership USA and the New York Women’s Foundation.

*Includes Gift Matching, Serve2Gether Grants, Employee Scholarships and Culture Card Programs*
HISTORIC PRESERVATION

In this program area, we support projects that preserve or restore major historic sites in order to provide sustainable access and enjoyment for current and future audiences.

Through our partnership with the National Trust for Historic Preservation's National Treasures Program, we provided funding to restore five historic sites connected to National Parks: Hinchliffe Stadium (Paterson, NJ), Pullman Historic District (Chicago, IL), Painted Desert Community Complex (Petrified Forest National Park, AZ), Federal Hall (New York, NY) and Sweet Auburn Historic District (Atlanta, GA).

We again sponsored the 2016 World Monuments Fund (WMF) Watch List, which included 50 sites that are in danger of being lost. And, we are the lead sponsor of the WMF’s 50th anniversary celebration and commemorative book.

Additional support went to organizations to preserve or restore 23 historic sites around the world, including the George Washington University [Corcoran Museum] (Washington DC), National Blues Museum (St. Louis, MO), Hong Kong Federation of Youth Group (Hong Kong, China), Colonial Williamsburg (Williamsburg, VA), Desert of Lions National Park (Mexico City, Mexico) and Massey Hall (Toronto, Canada).

COMMUNITY SERVICE

We encourage good citizenship by supporting organizations that cultivate meaningful opportunities for civic engagement by our employees and members of the community through our Community Service program.

In 2015, we awarded over 96 grants to fund community service projects that resulted in thousands of volunteers building or restoring over 415 homes, caring for 800 public parks, mentoring 200,000 young people, creating over 100,000 care kits for hospitalized children, and rescuing 62 million pounds of food to be distributed to the hungry. We also provided grants to a number of relief organizations following natural disasters.

Organizations supported included the American Red Cross, Australian Business and Community Network, City Harvest, Habitat for Humanity, Harlem Children's Zone, International Rescue Committee, Junior Achievement, National Park Foundation, Project Sunshine, Sussex Community Foundation and United Way.

In addition, we mobilized employees in more than 130,000 hours of company-sponsored volunteer service, engaged 79 percent of our employees in the U.S., 67 percent of our employees in Canada and 62 percent of our employees in India to make charitable pledges through the company's annual employee giving campaign, and delivered nearly 11,000 hours of pro bono consulting services (valued at $1.7MM) to nonprofits around the globe through our Serve2Gether Consulting program.
