Leadership

Through this program, we support projects that provide best in class leadership development training that provide current and future emerging social purpose leaders with first rate learning opportunities to build leadership skills.

In 2017, we trained over 690 emerging social purpose leaders through 20 American Express Leadership Academy programs in locations across the globe. The Leadership Academy is designed as a multidisciplinary approach to training the next generation of emerging leaders through an intense, leadership development training program. In 2017, our partners in this effort were: the Center for Creative Leadership (New York), Common Purpose (London, Singapore and Hong Kong), the Community Foundation of Broward County (Ft. Lauderdale), Japan Philanthropic Association and Entrepreneurial Training for Innovative Community (Tokyo), Thunderbird School of Global Management (Phoenix), the Arizona State University Lodestar Center (Phoenix), the Aspen Institute (Aspen), Ashoka (New York, Mexico City, Berlin, Nairobi and Dakar) and Points of Light (Seattle). Over 3,600 emerging leaders have been trained by the Leadership Academy since 2008.

We also strengthened ongoing Leadership Academy alumni engagement through the American Express Leadership Academy LinkedIn group, which has grown to include nearly 1,900 alumni. For the third year, we hosted the American Express Leadership Academy Global Alumni Summit, which included 51 Academy alumni from around the world. We supported local Academy alumni groups in New York, NY; Washington, DC; Boston, MA; Detroit, MI and London, U.K.

Recognizing the need to scale these programs, we continued our support for Leaderosity.com and plusAcumen.org. In order to tell the story of these leaders, we sponsored Leaderstories.org, a story telling platform for Academy participants and grantees.

In addition, we made nearly 100 grants to nonprofit organizations to create, develop, expand or maintain their own leadership development programs for high potential, emerging leaders. Nearly 6,000 leaders were trained in person by grants to organizations as diverse as Echoing Green (New York, NY), Georgetown University (Washington, DC), Hispanic Alliance for Career Enhancement (Chicago, IL), Leadership Education for Asian Pacifics (Los Angeles, CA), Opera America (New York, NY), and Public Allies (Milwaukee, WI).

Historic Preservation

In this program area, we support projects that preserve or restore major historic sites in order to provide sustainable access and enjoyment for current and future audiences.

Through our partnership with the National Trust for Historic Preservation, we launched *Partners in Preservation: Main Streets* to build on the company's support of main streets and small businesses. This was the second national campaign in Partners in Preservation's 11-year history. The winning main street historic sites, determined by popular vote, received a total of \$1.5 million in grants to help fund their preservation projects. The winning projects included: (1) Preserving 20th Century African American History in Colonial Germantown (Philadelphia, PA), (2) Woodward Theater Marquee (Cincinnati, OH), (3) E. Romero Hose & Fire Building (Las Vegas, NM), (4) The Historic Carolina Theatre (Greensboro, NC), (5) Lyric Building Facade and Marquee (West Des Moines, IA), (6) Formosa Café (West Hollywood, CA), (7) McKinney Performing Arts Center (McKinney, TX), (8) Casa Grande Neon Sign Park (Case Grande, AZ), (9) Ivers Square (Cape Girardeau, MO), (10) The Historic Alabama Theatre's 18th Street Vertical Sign (Birmingham, AL), and (11) Studio Elven

(Salt Lake City, UT). All 25 Main Streets sites received a \$20,000 grant at the outset of the campaign to help raise awareness about their preservation needs, adding up to \$2 million in grants.

We also provided support to preserve or restore 29 historic sites around the world, including the Casa Estrada Building (Buenos Aires, Argentina), Communities First (Detroit, MI), Frank Lloyd Wright House (Phoenix, AZ), the Louvre Museum (Paris, France), Prospect Park Alliance (Brooklyn, NY), and the September 11 Memorial and Museum (New York, NY).

Due to the unusually high number of natural disasters in 2017, we provided funding through the National Trust for Historic Preservation to support three historically significant sites that were severely damaged by the Hurricanes Harvey, Irma and Maria. The following sites were supported through this project: Council 60 Clubhouse (Houston, TX), Dr. James M. Jackson's Office and Surgery (Miami, FL), The League of United Latin American Citizens (Washington, DC), and Paraiso Las Lunas, a Nature Preserve (Caguas, Puerto Rico).

Community Service

We encourage good citizenship by supporting organizations that cultivate meaningful opportunities for civic engagement by our colleagues and members of the community through this program.

In 2017, we supported more than 85 nonprofits that engaged nearly six million volunteers in about 25 million hours of service to serve the needs of local communities. These volunteers improved their communities' access to critical necessities such as food, shelter, green spaces and educational opportunities.

- 758,000 youth mentored
- 459 homes built or restored
- 206 million meals served
- 10,800 parks and gardens beautified

In response to the devastating hurricanes in Florida, Texas and Puerto Rico, as well as the earthquake in Mexico we provided more than \$1,000,000 in aid to our partners the American National Red Cross, Feeding America, Foundation for Puerto Rico and HEART 9/11.

Organizations supported included the American Red Cross (Washington, DC), Australian Business and Community Network (Sydney, Australia), Big Brothers and Big Sisters of

New York (New York, NY), Harlem Children's Zone (New York, NY), Hispanic Unity of Florida (Hollywood, FL), International Rescue Committee (New York, NY), Project Sunshine (New York, NY), Rise Against Hunger (Raleigh, NC), Save the Children (Fairfield, CT), St. Mary's Food Bank (Phoenix, AZ), Sussex Community Foundation (Lewes, UK), Team Rubicon (Los Angeles, CA), The Nature Conservancy (Arlington, VA) and the United Way (New York, NY).

In addition, we mobilized our American Express colleagues in more than 70,000 hours of company-sponsored volunteer service; engaged 79 percent of our colleagues in the U.S., 73 percent of our colleagues in Canada and 65 percent of our colleagues in India through Give2Gether, the company's annual employee giving campaign; and delivered over 3,800 hours of pro bono consulting services (valued at \$575,000) to nonprofits around the globe through our Serve2Gether Consulting program.
