

Recent Grants Examples

American Red Cross of Greater New York, New York, NY

Support for the expansion of the Ready When the Time Comes (RWTC) program that is designed to engage local community and business groups and mobilizes them as a community-based volunteer force that is called upon when disaster strikes.

Points of Light Foundation, Atlanta, GA

Support for volunteer activities organized by Points of Light's global network of volunteer centers. This program is designed to drive American Express employee volunteering in key company locations in Asia, Europe and the Americas.

Project Sunshine, Multiple Locations, U.S.

Support for the organization's efforts to engage volunteers to provide its free educational, recreational, and social programs to children facing medical challenges and their families. In key U.S. employee centers - Florida, Central Arizona, New York City and Utah - American Express volunteers assemble activity kits which are distributed to the pediatric patients at local hospitals.

Terrence Higgins Trust, London, UK

Support for the organization's efforts to recruit and engage diverse communities of volunteers who help deliver its wide range of health care and HIV services programming to over 100,000 community members each year.

United Way of New York City, New York, NY

Support for [BoardServeNYC](#), a program that provides comprehensive board service training and placement services to committed New Yorkers seeking to contribute their skills, expertise, and access to resources to strengthen nonprofit organizations in New York City.
