OFFER TERMS

From May 1, 2020 through December 31, 2020 you can earn up to $20 in statement credits each month when you use your American Express Platinum Card to pay for Select U.S. Streaming Subscriptions AND up to $20 in statement credits each month when you use your American Express Platinum Card to pay for eligible Wireless Telephone Service charges.

- **SELECT U.S. STREAMING SUBSCRIPTIONS CREDIT:** From May 1, 2020 through December 31, 2020 you can earn up to $20 in statement credits each month when you use your American Express Platinum Card to pay for U.S. streaming subscriptions from select providers. The current list of select providers is available at americanexpress.com/rewards-info, and is subject to change at any time. If your subscription is bundled with another product or service or billed by a third party (such as a digital platform, a cable, telecommunications, or internet provider, or a car manufacturer), your purchase may not be eligible.

- **U.S. WIRELESS TELEPHONE SERVICE CREDIT:** From May 1, 2020 through December 31, 2020 you can earn up to $20 in statement credits each month when you use your American Express Platinum Card to pay for monthly wireless telephone services purchased directly from U.S. service providers. The following purchases are excluded: purchases of hardware or repair services; purchases from authorized retailers, resellers or third-party sellers; purchases of bundled services offered by wireless companies for TV, Internet and VoIP; and purchases of VoIP services. For additional details, visit americanexpress.com/rewards-info.

Purchases made by both the Basic Card Member and any Additional Card Members are eligible for the offer. However, the total amount of statement credits for each Card Account will not exceed $20 per month for select U.S. streaming subscriptions and $20 per month for wireless telephone services purchased directly from U.S. service providers, for a total of up to $40 per month.

Please allow 2-4 weeks after the eligible purchases are charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase.

American Express relies on the merchant to process transactions within the same calendar month that you made the purchase in order to apply the corresponding monthly statement credit in the month that it was intended. For example, if you make an eligible purchase on the last day of the month, but the merchant doesn’t process that transaction until the next day, the transaction date will reflect the next day’s date and the statement credit would be applied in the following month.

To be eligible for this offer, your Card Account must not be canceled or past due at the time of statement credit fulfillment. Statement credits may be reversed if the eligible purchase is returned. American Express relies on accurate transaction data to identify eligible purchases.

If American Express does not receive information that identifies your transaction as eligible for the offer, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party or if the merchant uses a mobile or wireless card reader to process it.

If a charge for an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the statement credit may be applied to your Pay In Full balance.

For additional information, call the number on the back of your Card.

Why is the $100 additional Dell Technologies credit broken out into 2 periods?

Dell Technologies rolls out new merchandise on an ongoing basis, and we hope having this credit over separate periods encourages you to revisit their site often to explore the latest technology.

If I made a charge prior to May 1, 2020, will I still be eligible for the additional Dell Technologies statement credit?

No, only charges made on or after May 1, 2020, are eligible for the promotional Dell Technologies additional statement credits. The $100 additional Dell Technologies credit is available starting May 1st. Are other Cards getting this promotional credit?
No, only Business Platinum Card Members are eligible for the additional Dell Technologies promotional credit.

I made a purchase in June; however, it did not post to my account until July. Why is the credit being applied towards July through December?
Credits are applied to your account based on the date the charge posts to your account. Note that in some instances, we may not receive information about your eligible purchase from the Merchant until all items from your eligible purchase have been provided / shipped by the Merchant.

Will you be running this promotion again next year?

located in the U.S. (superstores and warehouse clubs are not considered supermarkets) starting from May 1, 2020 through July 31, 2020 (“Purchase Period”).

Purchases may fall outside of the Purchase Period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped). Eligible purchases can be made by the Basic Card Member and any Additional Card Members on a single Card account. Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, balance transfers, cash advances, purchases of traveler’s checks, person-to-person payments, the purchase or reloading of prepaid cards, and purchases of other cash equivalents. Additional terms and restrictions apply. Miles received from your Card will be posted to your Delta SkyMiles® account up to 12 weeks after the end of each month. To be eligible to receive miles, Card Member’s account must not be cancelled or in default at the time of bonus fulfillment. Offer ends July 31, 2020. American Express reserves the right to modify or revoke offer at any time.

Merchants are assigned codes based on what they primarily sell. A purchase will not earn additional miles if the merchant’s code is not eligible. Purchases made through a third-party payment account or on an online marketplace (with multiple retailers) will not earn additional miles. A purchase may not earn additional miles if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet.
